2008-2009

Dear Friends,

We need your positive energy and expertise!

We are looking for people to join our volunteer team who

1. have an interest in what we do,
2. would like to help us continue to implement existing activities,
3. would like to initiate and help us implement new ideas.

We believe the many activities and events of the Becket Arts Center:

1. Contributes to our quality of life
2. Facilitate the development and growth of an arts community for ages 5 and above.
3. Provide recognition and promotion opportunities for the artists in our community and beyond.

Please check off the committee(s) you would like to work on. Our Committee Chairperson(s) will be in touch with you. Please know much of the work is done via e-mail and phone, and some assistance is on site.

We look forward to working with you.

Joan L. Davidson-Winston
President, Becket Arts Center of the Hilltowns
